

Northwind Coffee Co.

A single-file PDF sample. Drop it into the viewer to read it, page through it, or open the outline.

This roaster runs a 15 kg drum and ships nationwide.
First crack arrives near 196 C; the drop follows in seconds.

Origins on the bench this quarter:

- Ethiopia Yirgacheffe (washed, light)
- Colombia Huila (honey, medium)
- Sumatra Mandheling (wet-hulled, dark)
